

OCCUPATIONAL MAP - DWSSC

The Occupational Map of the sector provides graphical view of all the occupations and job roles that make up the sector.

Guidelines: For common Occupations across Sub-sectors, format them as *Italics and double underline* with unique colour for each common occupation. Similarly for common job roles across sub-sectors/occupations, format them as *Italics and underline* with unique Font Font colour for each common job role. The adjacent common occupations / job-roles cells can also be merged.
