DWSSC's INDUSTRY PARTNERS NETWORK- A NEED OF THE HOUR

The demand for reliable domestic workers is huge today. The households expect better services and solutions from the market and the domestic workers also deserve a better livelihood and improved pay scales from their employers.

Domestic Workers Sector Skill Council was incorporated with a mission to provide the country with skilled manpower while making the domestic workers segment empowered and less vulnerable via skill development programmes. We, as an organisation, are in constant lookout for good, reliable and sector dedicated organisations, big or small, to build a small but efficient network of industry partners for better placement of the trained and certified domestic workers. This we believe will automatically ensure the satisfaction of the households/ industries who hire them.

WHO ARE ELIGIBLE TO BE OUR INDUSTRY PARTNERS?
